

REMARKS

The Examiner asserts that claims 38-40, 42, 55-57, 62, 66, 68, 79-83, 95, 96, 98-100, 102, 104, 112, 114, 118-131, 133-135, 138 and 139 encompass multiple patentably distinct species and has required election of a single disclosed species under 35 U.S.C. § 121.

Applicants elect compound 283 recited in claim 40, with traverse, for further prosecution in this application. Claims 40, 42, 55-56, 62, 66, 68, 114, 118-120, 125, 128, 130, 133, 138 and 139 read upon compound 283.

Applicants make this election without waiver of their rights to file for and obtain claims directed to the unelected subject matter in divisional or continuing applications claiming priority and benefit from this application under 35 U.S.C. 120.

If the Examiner believes a phone call would be helpful in determining any additional subject matter originally claimed in this application that could be examined with the elected claims, he is invited to contact the undersigned at his convenience. Applicants

request favorable consideration and early allowance of
the pending claims.

Respectfully submitted,
